About NSASA

NSASA is a parent-run organization serving over 4,000 families on Long Island. Our mission is to support individuals with autism in our local community.

Through our fundraising efforts, we are able to provide free educational, social, and recreational opportunities to families touched by autism. NSASA organizes a variety of events including rollerskating, private movie screenings, Outback Steakhouse luncheons, plays, bowling, and more! It is our goal to provide positive experiences for families in a non-judgmental, welcoming environment.

NSASA also provides grants to local school programs that serve children with autism. Through our program, we provide grants for technology, classroom materials, and community outings for autism programs.

We support education and advocacy at both the state and federal levels. The mission of the Autism Society of America (ASA) is to provide lifelong access and opportunities for all individuals within the autism spectrum, and their families, to be fully participating, included members of their community.

Eric Derector

Eric Derector, Principal of Quest Builders Group, has over 20 years of experience in the construction and real estate industries. Mr. Derector's primary responsibilities include maintaining relationships with the firm's clients, industry professionals including architects, engineers and subcontractors. As Principal, Mr. Derector serves as a liaison between the operational and administrative sectors of all QBG projects with a focus on quality control and overall program management. Mr. Derector also provides Mechanical, Electrical, Plumbing and Sprinkler oversight for all technology and infrastructure projects. He has successfully completed millions of square feet of new construction, high-tech tenant modernization work and commercial office fit-outs, ranging from law firms and financial institutions to hospitals and hotels.

Mr. Derector holds Bachelor of Science degree in Construction Engineering and Management from the University of Maryland. In his spare time he enjoys playing ice hockey, skiing, golfing and spending time with his wife Shari, daughters Emma and Skyler and friends. He is a proud supporter of the NSASA, Autism Awareness, The Navy SEAL foundation, The Nassau County Police Foundation (Advisory Board), Stop Soldier Suicide, the Starlight Foundation, Wounded Warriors, Adaptive Sports Foundation, The Irish American Building Society, Sportsmen for Charity, Saint Jude's Children's Research Hospital, Da Hunt for the Cure, St. Francis Food Pantries & Shelters and Spin For Hunger.
